of 17 November 2026

amending Implementing Decision (EU) 2024/2103 as regards harmonised standards for unmanned aircraft drafted in support of Delegated Regulation (EU) 2019/945

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1025/2012 of the European Parliament and of the Council of 25 October 2012 on European standardisation, amending Council Directives 89/686/EEC and 93/15/EEC and Directives 94/9/EC, 94/25/EC, 95/16/EC, 97/23/EC, 98/34/EC, 2004/22/EC, 2007/23/EC, 2009/23/EC and 2009/105/EC of the European Parliament and of the Council and repealing Council Decision 87/95/EEC and Decision No 1673/2006/EC of the European Parliament and of the Council ([1]), and in particular Article 10(6) thereof,

Whereas:

(1) In accordance with Article 12 of Commission Delegated Regulation (EU) 2019/945 ([2]), a product which is in conformity with harmonised standards or parts thereof, the references of which have been published in the *Official Journal of the European Union*, is to be presumed to be in conformity with the requirements covered by those standards or parts thereof set out in Parts 1 to 6, 16 and 17 of the Annex to that Delegated Regulation.

(2) By Implementing Decision C(2020) 6148 ([3]), the Commission made a request to the European Committee for Standardization (CEN) to draft harmonised standards in support of Delegated Regulation (EU) 2019/945 (the 'request').

(3) Based on the request CEN drafted the harmonised standards EN 4709-001:2026 and EN 4709-003:2026 addressing requirements applicable to Unmanned Aircraft Systems (UAS).

(4) The Commission together with CEN has assessed whether harmonised standards EN 4709-001:2026 and EN4709-003:2026 comply with the request.

(5) The standards EN 4709-001:2026 and EN4709-003:2026 satisfy the requirements which they aim to cover and which are set out in Delegated Regulation (EU) 2019/945. It is therefore appropriate to publish the references of those standards in the *Official Journal of the European Union*.

(6) In the interests of clarity and rationality, a complete list of references of harmonised standards drafted in support of Delegated Regulation (EU) 2019/945 and satisfying the requirements they aim to cover should be published in a single act. The references of harmonised standards drafted in support of Delegated Regulation (EU) 2019/945 are currently published in accordance with Commission Implementing Decision (EU) 2024/2103 ([4]).

([3]) Commission Implementing Decision C(2020) 6148 of 11 September 2020 on a standardisation request to the European Committee for Standardisation as regards unmanned aircraft systems intended to be operated in the 'open' category of operations in support of Commission Delegated Regulation (EU) 2019/945.

(7) Compliance with a harmonised standard confers a presumption of conformity with the corresponding requirements set out in Union harmonisation legislation from the date of publication of the reference of such standard in the *Official Journal of the European Union*. This Decision should therefore enter into force on the day of its publication,

HAS ADOPTED THIS DECISION:
